The perfect no-hassle travel partner

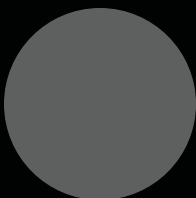

Are you ready to get the most out of your next adventure? With AirMini, it's now easier than ever before! As the world's smallest CPAP,¹ it's the perfect travel partner – making it simple to get the quality sleep you need to always be at your best. So whether you're traveling or even catching a nap on the couch, leave your bedside CPAP alone and bring AirMini along.

Never miss a good night's sleep

We're proud to introduce a travel CPAP that delivers the quality of therapy CPAP users have grown to trust from ResMed over the last 25 years. With advanced algorithms, and technologies like HumidX™ waterless humidification² designed for comfort and convenience, AirMini sets a new bar. In fact, more than 80% of users preferred AirMini over the two market-leading travel CPAPs in a recent study.³

Masks designed for AirMini

AirMini has been designed to work with our all-new AirFit™ 20 series and the AirFit P10 for AirMini masks. You can choose from full face, nasal and nasal pillows options – each designed to deliver comfortable and stable therapy wherever you travel.

AirFit™ Series

Designed to accommodate all facial types and sleep positions for a secure seal and comfortable fit.

Compatible masks include:

AirFit™ F20

AirFit™ N20

AirFit™ P10
for AirMini

Convenient control with the AirMini app

You can control the AirMini from your smart device with the AirMini app. Simply download, connect via Bluetooth and enjoy access to a range of comfort settings that will help you get a restful night's sleep. The AirMini app also provides access to your sleep score each morning and 30-day history, so you can continue tracking your sleep on the go.

1 As of March 20, 2017 **2** Currently not available when using full face masks **3** Results of independent, 3-night US study of 32 patients using ResMed AirMini, HDM Z1 Auto®, and Transcend Auto™ Mini CPAP Jan-Feb 2017.
